3.10 The Licensee acknowledges that Updates and Upgrades may result in changes to the appearance and/or functionality of the Software.

4. FEES

4.1 In consideration for the license granted to the Licensee hereunder, the Licensee shall pay NC Squared the License Fees; and in consideration for the provision of a premium support package, the Licensee shall pay NC Squared the Support Fees; in each case the Fees must be paid using the methods of payment specified on the NC Squared website.

4.3 This clause 4.3 applies in place of clause 4.2 if NC Squared has expressly agreed to a charging period that is not on an annual basis. If this clause 4.3 applies: (a) the Fees, with respect to the first charging period, shall be due and payable on the later of the Effective Date and the first day

following the end of any trial period under clause 4.9; and (b) the Fees with respect to each subsequent charging period shall be due and payable on the first day of the relevant charging period.

4.4 All Fees and other amounts stated in and in relation to this License Agreement are stated exclusive of VAT and all other sales taxes, which may be payable by the Licensee to NC Squared in addition to the principal amount.

4.5 NC Squared reserves the right to vary the License Fees and/or Support Fees at and from the end of any License Agreement Period by giving at least 45 days' written notice of the variation to the Licensee. If the License Fees are varied and the Support Fees are specified by reference to the License Fees, then the Support Fees shall automatically be varied along with the License Fees.

4.6. No variation of the License Fees shall result in the per-User License Fees increasing during the term of this License Agreement by more than 5 percent for each completed 12-month period following the Effective Date. In calculating the maximum permitted increase in the License Fees, the increase shall be compounded to the variation cap at the start of each such License Agreement Period.

4.7 If the Licensee fails to make payment of the Fees or any other amount due under this License Agreement by the due date, then NC Squared may send a written demand for payment to the Licensee. If the outstanding amount or amounts are not paid within 14 days following the date of issue of the written demand, then NC Squared may at any time thereafter by further written notice to the Licensee suspend and/or terminate: (a) any or all of the licenses granted in and/or services provided under this License Agreement; and/or (b) this License Agreement.

4.8 If the Licensee has agreed in writing that this License Agreement will continue for a minimum period or minimum term, then if this License Agreement is terminated by NC Squared under clause 4.7, 5.1 or 5.2, the Licensee shall immediately become liable to pay all License Fees and other amounts that would have been payable had this License Agreement continued to the end of the minimum period or minimum term.

4.9 The first 30 days of the term of this License Agreement (or such other period as the Parties may agree in writing) shall be a trial period, and all of the provisions of this License Agreement shall apply during that trial period, save as follows: (a) the Licensee shall have no obligation to pay the License Fees in respect of the trial period; (b) either Party may terminate this License Agreement immediately by giving written notice to the other Party at any time before the end of the trial period (in which case no liability to pay the License Fees will arise); and (c) the Software and the Licensee's use of the Software shall be subject to such limitations and restrictions as NC Squared shall implement from time to time.

5. TERMINATION

5.1 This License Agreement shall commence on the

Effective Date and continue until terminated in accordance with its express terms. If either Party breaches this License Agreement in any material respect, the other Party may give written notice to the breaching Party of its intent to terminate, and if such breach is not cured within 30 days after the breaching Party's receipt of such notice, this License Agreement shall terminate without any further notice required (but no cure period is required for any breach that cannot be cured).

5.2 Notwithstanding clause 5.1, NC Squared shall be entitled to: (a) immediately terminate this License Agreement upon notice; and (b) permanently prohibit the Licensee from making any use of and/or accessing the Software in the event the Licensee or any Licensee Affiliate is, or NC Squared has reason to believe that the Licensee or any Licensee Affiliate is: (i) using the Software to commit a criminal act or to cause nuisance, annoyance or inconvenience to or harass others, including without limitation engaging in hacking activities; (ii) using illegal and/or unlawful means to access the Software; or (iii) doing an act or series of acts that shall or may reasonably be deemed to infringe any patents, copyrights, trademarks, design rights or any other intellectual property rights or other rights of any third.

5.3 In order to terminate this License Agreement either Party must give at least 30 days' written notice of termination to the other Party, providing that such notice must terminate: (a) at the end of the then-current License Agreement Period; and (b) after the end of any minimum period or minimum term agreed between the Parties.

5.4 Upon any termination of this License Agreement, (a) the rights and licenses granted under this License Agreement shall terminate; (b) the Licensee shall cease all use of the Software and shall ensure that the Licensee Affiliates cease all use of the Software; and (c) the Licensee shall, where requested, certify in writing to NC Squared its compliance with the foregoing. Clauses 1, 3, 4 (to the extent of unpaid Fees), 5.2, 5.4, 6, 7, 8, 9, 11.1 and 12 shall survive any termination of this License Agreement.

6. REPRESENTATIONS AND WARRANTIES

6.1 NC Squared warrants to the Licensee that: (a) it has the full power and authority to enter into this License Agreement; (b) it has the right to provide the Software to the Licensee in accordance with this License Agreement; (c) it will use reasonable care and skill to ensure that the Software will function materially in accordance with the Documentation during the term of this License Agreement, without prejudice to NC Squared's rights to update, enhance and upgrade the Software from time to time; and (d) the Software will not contain any virus, Trojan horse, worm, trapdoor, backdoor or other malicious code.

6.2 The above warranty is conditional upon the Licensee complying with the Minimum Requirements.

6.3 The warranties set forth in this clause 6 are exclusive and in lieu of all other warranties, express or

6.4 The Licensee shall procure its own Internet connection to access the Salesforce Platform and/or the Software.

6.5 The Licensee acknowledges that NC Squared relies on third party services providers to make the Software available to the Licensee. Consequently, NC Squared does not warrant that the Licensee shall have uninterrupted access to the Salesforce Platform and/or use of the Software.

6.6 The Licensee acknowledges that the Software is a native application on the Salesforce Platform and that NC Squared has no control over changes to the Salesforce Platform. NC Squared shall ensure that the Software is compatible with the Salesforce Platform on the Effective Date and NC Squared shall use reasonable endeavours to ensure that the Software remains compatible with the Salesforce Platform during the term of this License Agreement.

6.7 The Licensee hereby represents that it shall: (a) comply with the Minimum Requirements; (b) comply with all applicable local and foreign laws and regulations, which may govern the use of the Software; and (c) use the Software only for lawful purposes and in accordance with the terms of this License Agreement.

7. LIMITATION OF LIABILITY

7.1 Nothing in this License Agreement will: (a) limit or exclude the liability of a Party for death or personal injury resulting from negligence; (b) limit or exclude the liability of a Party for fraud or fraudulent misrepresentation by that Party; (c) limit any liability of a Party in any way that is not permitted under applicable law; or (d) exclude any liability of a Party that may not be excluded under applicable law.

7.2 The limitations and exclusions of liability set out in this clause 7 and elsewhere in this License Agreement: (a) are all subject to clause 7.1; and (b) govern all liabilities arising under this License Agreement or in relation to the subject matter of this License Agreement, including liabilities arising in contract, in tort (including negligence) and for breach of statutory duty, except to the extent expressly provided otherwise and providing that the limitations and exclusions shall not affect the Licensee's obligations to pay the Fees.

7.11 Each Party's aggregate liability to the other Party under or in connection with this License Agreement shall not in any event exceed USD \$2,500,000.

7.12 Under no circumstances shall NC Squared be liable for any failure of the Software to perform in accordance with the Documentation, or at all, as a result of a failure by the Licensee to comply with the Minimum Requirements.

7.13 Subject to NC Squared's compliance with clause 6.6, NC Squared shall not be liable to the Licensee in respect of any loss or damage arising out of any failure of the Software to integrate or be compatible with the Salesforce Platform.

10. DATA PROTECTION

10.1 In an extremely rare event, Licensee Personal Data may be processed by NC Squared and/or its UK Affiliate the nature, purpose, and details of which are further described in Appendix (1). In such unlikely event, the collection, storage and/or processing of Personal Data may render the laws of several different jurisdictions, if any, applicable as it relates to the protection of the Personal Data. In such event, NC Squared and/or its UK Affiliate shall comply with the applicable Data Protection Laws, if any, for each jurisdiction that is triggered by such collection and/or processing. In the event that Licensee Personal Data is processed by NC Squared, or the UK Affiliate, and the GDPR or CPRA applies to the collection and/or processing of the Licensee Personal Data, Licensee, NC Squared and/or the UK Affiliate shall comply with GDPR, CPRA, and the clauses

contained in this Clause 10, each to the extent applicable. Licensee and NC Squared agree that NC Squared is acting as a Service Provider under this License Agreement for purposes of the CPRA.

10.2 The Licensee warrants to NC Squared that it has the legal right to disclose all Personal Data that it does in fact disclose to NC Squared and Salesforce under or in connection with this License Agreement.

10.3 If required by the applicable Data Protection Laws, the nature and purpose of NC Squared's processing of Licensee Personal Data shall be limited to the direct business relationship between NC Squared and Licensee, wherein the Licensee shall only supply to NC Squared, and NC Squared shall only process, in each case under or in relation to this License Agreement, the Personal Data of users of the Software relating to their use of the Software, being either: (a) user account data; or (b) data provided by the Licensee to NC Squared and when requesting support services; and NC Squared shall only process the Licensee Personal Data for the purposes of providing the Software and related support services ("business purpose"). To the extent CPRA is applicable, NC Squared shall not, directly or indirectly, "sell" or "share" (as such terms are defined in the Data Protection Laws), any Licensee Personal Data with any third party. NC Squared will refrain from: (1) retaining, using, or disclosing Licensee Personal Data—including in anonymized or aggregated formats—for any purpose other than for the business purpose specified herein, unless otherwise permitted by the CPRA; and (2) combining, merging, or de-aggregating Licensee Personal Data that NC Squared receives from, or on behalf of, Licensee with Licensee Personal Data that it receives from, or on behalf of, another person or persons, or collects from its own interaction with the consumer, unless otherwise permitted by the CPRA.

10.4 If required by the applicable Data Protection Laws, NC Squared shall only process the Licensee Personal Data during the term of this License Agreement, subject to NC Squared's data retention and backup policies, and the other provisions of this Clause 10.

10.5 If required by the applicable Data Protection Laws, NC Squared shall only process the Licensee Personal Data on the documented instructions of the Licensee (including with regard to transfers of the Licensee Personal Data from any place within the European Economic Area, Switzerland, or the United Kingdom ("GDPR Zone") to any place outside the GDPR Zone), as set out in this License Agreement or any other document agreed by the Parties in writing.

10.6 Notwithstanding any other provision of this License Agreement, NC Squared may process the Licensee Personal Data if and to the extent that NC Squared is required to do so by applicable law. In such a case, NC Squared shall inform the Licensee of the legal requirement before processing, unless that law prohibits such information on important grounds of public interest.

10.7 If required by the applicable Data Protection Laws,

NC Squared shall ensure that persons authorized to process the Licensee Personal Data have committed themselves to confidentiality or are under an appropriate statutory obligation of confidentiality.

10.8 If required by the applicable Data Protection Laws, NC Squared and the Licensee shall each implement appropriate technical and organisational measures to ensure an appropriate level of security for the Licensee Personal Data, including ensuring that the Licensee Personal Data shall be encrypted during transfer from the Salesforce servers to any NC Squared computer.

10.9 If and to the extent required by the applicable Data Protection Laws, NC Squared must not engage any third party, other than Salesforce, to process the Licensee Personal Data without the prior specific or general written authorisation of the Licensee. In the case of a general written authorisation, NC Squared shall inform the Licensee at least 14 days in advance of any intended changes concerning the addition or replacement of any third-party processor, and if the Licensee objects to any such changes before their implementation, then NC Squared must not implement the changes. NC Squared shall ensure that each third-party processor is subject to the equivalent legal obligations as those imposed on NC Squared by this Clause 10. If NC Squared engages any other person to assist in processing Licensee Personal Data for a business purpose on behalf of Licensee, or if any other person engaged by NC Squared engages another person to assist in processing Licensee Personal Data for that business purpose, to the extent required by Data Protection Laws, NC Squared shall notify Licensee of that engagement in accordance with this Section 10.9, and the engagement shall be pursuant to a written contract binding the other person to observe all the requirements set forth in this paragraph.

10.10 If required by the applicable Data Protection Laws, NC Squared shall, insofar as possible and taking into account the nature of the processing, take appropriate technical and organisational measures to assist the Licensee with the fulfilment of the Licensee's obligation to respond to requests exercising a data subject's rights, if any.

10.11 If required by the applicable Data Protection Laws, NC Squared shall assist the Licensee in ensuring compliance with the obligations relating to the security of processing of personal data, the notification of personal data breaches to the supervisory authority, the communication of personal data breaches to the data subject, data protection impact assessments and prior consultation in relation to high-risk processing, if any. If NC Squared receives a direct request from a verifiable consumer regarding the collection, use, processing, or retention of consumer's Personal Data within the Licensee Personal Data, NC Squared shall refer the request to Licensee, and Licensee shall respond directly to the consumer. Licensee may request NC Squared's assistance to the extent Licensee deems necessary. NC Squared will provide reasonable cooperation with Licensee and Salesforce in responding to a verifiable consumer

request made to Licensee, if an individual or consumer requests: (i) access to his or her Personal Data, (ii) information about the categories of sources from which the Personal Data is collected, (iii) information about the categories or specific pieces of the individual's Personal Data, (iv) correction of his or her Personal Data, or (v) to limit the use or disclosure of the individual's sensitive Personal Data. Licensee agrees to pay NC Squared for time and materials incurred in cooperating and assisting with responses to a verifiable consumer request according to NC Squared's then-current standard time-based charging rates. In cases where Licensee is non-responsive to a verifiable consumer, government agency, or other third party regarding the possession of Licensee Personal Data, Licensee shall indemnify, defend and hold harmless NC Squared for any damages, fines, or administrative action resulting from Licensee's failure to respond.

10.12 NC Squared shall make available to the Licensee all such information as is reasonably necessary to demonstrate the compliance of NC Squared with its obligations under the applicable Data Protection Laws, if any. NC Squared shall notify Licensee if NC Squared can no longer meet its obligations under this clause 10 or the Data Protection Laws.

10.13 Unless the Licensee agrees otherwise in writing, NC Squared shall delete the Licensee Personal Data not less than 1 month and not more than 6 months following the date of effective termination of this Licence Agreement. If the Licensee requests a copy of the Licensee Personal Data following the date of effective termination of this Licence Agreement and before the deletion of the Licensee Personal Data, NC Squared shall provide a copy of that Licensee Personal Data to the Licensee in such format as NC Squared may reasonably determine. NC Squared may charge the Licensee with respect to the provision of that Licensee Personal Data in accordance with NC Squared's then-current standard time-based charging rates.

10.14 To the extent required by the applicable Data Protection Laws, NC Squared shall allow for and cooperate with audits, including inspections, conducted by the Licensee or another auditor mandated by the Licensee in respect of the compliance of NC Squared's processing of Licensee Personal Data with the applicable Data Protection Laws and this Clause 10. Licensee's audit plan (including selection of the auditor, the scope and duration of the audit, and confidentiality of the audit's findings) shall be proposed and subject to NC Squared's prior written approval, which shall not be unreasonably withheld.

10.15 If any changes or prospective changes to the applicable Data Protection Laws result or will result in one or both Parties not complying with the applicable Data Protection Laws in relation to processing of Personal Data carried out under this License Agreement, then the Parties shall use their best endeavours promptly to agree such variations to this License Agreement as may be necessary to remedy such non-compliance.

10.16 The limitations and exclusions of liability in clause 7 shall not apply in respect of any breach of this clause 10, except that clause 7.11 shall apply in respect of any such breach.

10.17 With reference to clauses 10.5 and 10.9, the Licensee acknowledges and agrees that, if the Licensee requests support services under this License Agreement, the provision of such support services may involve: (a) the storage and processing by NC Squared, using the Salesforce.com platform, of limited Licensee Personal Data relating to the support service request; and (b) the transfer of limited Licensee Personal Data relating to the support services request to NC Squared, Inc. in the USA and the processing of that Licensee Personal Data by NC Squared, Inc.

10.18 If required by the applicable Data Protection Laws, NC Squared shall ensure that any transfer of Licensee Personal Data made in accordance with clause 10.17 shall be made under a contract between NC Squared and the relevant third-party processor meeting the requirements of the applicable Data Protection Laws.

10.19 Before the provision of any requested support services and where reasonably necessary to ensure the compliance of the parties with the applicable Data Protection Laws, NC Squared may require that the Licensee enter into a direct contractual relationship with NC Squared, Inc. under the applicable standard contractual clauses approved by the competent data protection authority or authorities for transfers of Personal Data to a third country.

12. GENERAL

12.1 Neither Party shall subcontract or assign this License Agreement, or any part thereof, without first obtaining the prior written consent of the other Party. Any attempted assignment in violation of this clause 12.1 shall be void.

12.2 Neither Party shall use the other Party's name in publicity or marketing materials without the prior written consent of that other Party.

12.3 The Licensee agrees that because of the unique nature of the Software and NC Squared's proprietary rights

therein, a demonstrated breach of this License Agreement by the Licensee may irreparably harm NC Squared and monetary damages may be inadequate compensation. Therefore, the Licensee agrees that NC Squared shall be entitled to seek preliminary and permanent injunctive relief, as determined by any court of competent jurisdiction to enforce the provisions of this License Agreement.

12.4 If any provision of this License Agreement or the Software thereof is declared void, illegal, or unenforceable, the remainder of this License Agreement will be valid and enforceable to the extent permitted by applicable law. In such event, the Parties agree to use their best efforts to replace the invalid or unenforceable provision with a provision that, to the extent permitted by applicable law, achieves the purposes intended under the invalid or unenforceable provision.

12.5 Any failure by any Party to this License Agreement to enforce at any time any term or condition under this License Agreement will not be considered a waiver of that Party's right thereafter to enforce each and every term and condition of this License Agreement.

12.6 Neither Party will be responsible for delays resulting from circumstances beyond the reasonable control of such Party, provided that the non-performing Party uses reasonable efforts to avoid or remove such causes of non-performance and continues performance hereunder with reasonable communication whenever such causes are removed.

12.7 Subject to clause 7.1, this License Agreement, together with the Documentation and any additional terms agreed in any quotation or invoice issued by NC Squared to the Licensee, shall constitute the entire agreement and understanding between the Parties with respect to the subject matter hereof and supersedes all prior agreements, oral and written, made with respect to the subject matter hereof. In the event of a conflict between this License Agreement and any such additional terms, the additional terms shall take precedence.

12.8 This License Agreement may be varied by: (a) the written agreement of both Parties; (b) the Licensee giving its express acceptance of a variation specified by NC Squared

using the Salesforce Platform; or (c) NC Squared giving to the Licensee at least 45 days' written notice of the variation, such variation to come into effect at the end of this License Agreement Period current when such notice period expires.

12.9 This License Agreement is for the benefit of the Parties and is not intended to benefit or be enforceable by any third party (including any Licensee Affiliate). The exercise of the Parties' rights under this License Agreement is not subject to the consent of any third party (including any Licensee Affiliate).

12.10 The Parties agree that each Party is an independent contractor and not an employee, agent, fiduciary or partner of the other Party.

12.11 This License Agreement shall be governed by and construed in accordance with laws of the State of Delaware, United States of America, without regard to conflict of laws. The state or federal courts of the State of Delaware shall have exclusive jurisdiction over any disputes arising out of this License Agreement.

12.12 Any dispute, claim or controversy arising out of or relating to this Agreement or the breach, termination, enforcement, interpretation or validity thereof, including the determination of the scope or applicability of this agreement to arbitrate, shall be determined by arbitration in the State of Delaware, before one arbitrator. The arbitration shall be conducted in accordance with the Commercial Arbitration Rules of the American Arbitration Association and administered by the American Arbitration Association. Judgment on the Award may be entered in any court having jurisdiction. This clause shall not preclude parties from seeking provisional remedies in aid of arbitration from a court of appropriate jurisdiction.

12.13 Each Party represents that the individual signing, or otherwise agreeing or consenting to the terms and conditions of this Agreement, on the Party's behalf has the authority to do so and to so legally bind the Party.
